Re: Proposed Charter Revisions

Dear Jill:

I understand that the Charter Commission is nearing completion of its work on proposed revisions to the Town of Bar Harbor Charter, and that you will soon be submitting the Commission's Final Report to the Council pursuant to 30-A MRSA §2103(5)(D).

A copy of the final draft of the proposed revisions which the Commission will be including in its Report to the Council is attached to this letter. I have reviewed the proposed changes, and, based upon my review and research, I am of the opinion that the revisions are not in conflict with the Constitution of Maine or the general laws of the State of Maine.

My opinion is provided in compliance with §2103(5)(D)(4) and is one of the items to be included with the Commission's Final Report to the Council.

Sincerely,

Lee K. Bragg
